2023 NH Envirothon State Competition Information and Results

2023 Current Environmental Issue Theme: *Adapting to a Changing Climate*

Congratulations to all competing schools: Concord HS, ConVal HS, Goffstown HS, Keene HS, Moultonborough HS, Timberlane HS, Amherst MS, and Kingswood MS.

Congratulations to Timberlane High School who competed at the North American Envirothon in New Brunswick, Canada!

The NH Envirothon competition was held at **NHTI in Concord, NH on May 16**.

- 88 students and 10 coaches attended.
- 33 seniors received honor cords.
- >45 volunteers (mainly scientists and experts in Natural Resources) planned and ran the competition day.

NHE Results:

- 1st Overall in NH – Timberlane HS, team 2
- 2nd Overall in NH – Keene HS, Team 8
- 3rd Overall in NH – Goffstown HS, Team 14

- 1st in Aquatic Ecology – Keene HS, team 8
- 1st in Current Issue – Timberlane HS, team 2
- 1st in Forestry – Keene HS, team 8
- 1st in Soils & Land Use – Moultonborough HS, team 11
- 1st in Wildlife – Keene HS, team 8

- MS Champion – Kingswood MS, team 9
- MS 2nd place – Amherst MS, team 17

Throughout the past NHE year (9/1/22-8/31/23) **Steering Committee Leaders** met biweekly, headed teams of 4-6, updated learning objectives, planned and implemented training, developed testing materials, and ran their stations at the NHE competition.

SC Leaders were Margie Clark-Kevan – Program Coordinator; Judy Tumosa and Kayla Croteau – Aquatic Ecology; John Slater – Current Environmental Issue; Dawn Dextraze – Forestry; Nicole Ellis and Josh Gaimaro – Soils and Land Use; and Lindsay Webb – Wildlife. We look forward to the start of the next NHE year!
